

DNV Healthcare

Hospital Accreditation Consultant Roster

DNV Healthcare Inc. (“DNVHC”) publishes this roster of persons who have successfully completed the DNVHC NIAHOSM Accreditation Standards course and the specific ISO 9001 Lead Auditor course approved by DNVHC for healthcare organizations.

DNVHC maintains and publishes this roster solely as a convenience to the healthcare public for organizations that are interested in pursuing or maintaining DNVHC accreditation and/or becoming ISO 9001 compliant.

The consultants listed with a (*) are contract surveyors for DNVHC. These consultants operate under a strict Conflict of Interest Agreement with DNVHC and will not survey any hospital where they have consulted within the previous three (3) years. DNVHC has no financial relationship with the contract surveyor when s/he is operating as a consultant.

DNVHC does not endorse, approve or recommend any person listed on the roster and any person on this roster shall at no time represent, directly or indirectly, to any person, firm or organization that s/he or any organization with which s/he is affiliated is endorsed by, approved or recommended by DNVHC.
